What is the Children's Water Festival?

A free, fun, cool, hands-on way for students to learn about Water!

The overall goal of the festival is to educate students about where their food comes from, how to good steward of Colorado's natural resources, and to explore Colorado's rich history. Industry professionals in the fields of agriculture, natural resources and history come to one location to provide hands-on lessons about Colorado's most valuable resources.

Who attends the festival?

All 4th & 5th grade students within Adams, Weld and Morgan Counties are invited to attend. Space is limited, so register early. The application deadline is January 20, 2023, or until we have met our maximum number of classrooms.

Need help funding your trip?

The Children's Water Festival will cover the cost of transportation with funds raised by sponsor donations. A confirmation email will be sent by the one month prior to the festival if you selected help with transportation on the registration form. The confirmation email will contain information for you to pass on to your school's transportation department for reimbursement. *You must make arrangements for bus transportation if needed!*

Other important information!

This is an **OUTDOOR** festival. You, your students, and chaperone's need to **DRESS** for the weather. Most presentations will be outdoors. There will be tents setup to keep students out of the weather as much as possible.

A schedule of events for your students will be sent to you via email prior to the festival. Sessions begin at 9:30 am and the last presentation ends at 1:30 pm. All sessions will be on a 25-minute rotation. You will have a 30-minute break for lunch. Lunch is not provided; students, teachers and chaperone's will need to bring a lunch.

Can I register now?
